

OTHER OPPORTUNITIES

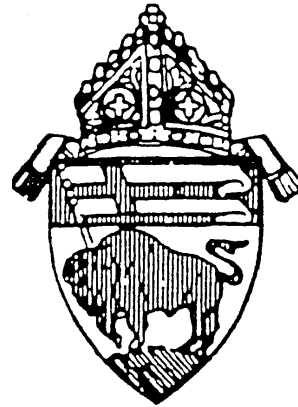

Parish-based marriage preparation programs are an option for consideration based on needs and availability. These programs are *only for couples marrying for the first time*. Each parish that is open to accepting couples has different formats but **all** cover topics consistent with diocesan marriage preparation requirements. For information contact your Office of Family Life Ministries at 716 847-2210 or e-mail familylife@buffalodiocese.org.

REGARDING THE PLACE OF MARRIAGE:

In accord with the custom of the Diocese of Buffalo, Catholic weddings are to be celebrated primarily in parish churches. Since the parish church is the “spiritual home” of the family of God, where the life-giving sacraments are normally celebrated and since the parish is the heart of sacramental life and ministry, weddings in non-sacred places (gardens, parks, hotels, etc.) are prohibited. Also, weddings in high school chapels, religious houses, and oratories that are not attached to a parish are not permitted.

May your marriage be filled with God's abundant blessings of peace, love and joy.
